Daniel B. Rubin [member of class settlement]

570 Avenida Del Cielo

Fountain, CO. 80817

**RE: OBJECTION TO CLASS ACTION SETTLEMENT**

To the best of my knowledge I am a member of said class settlement.

I †object to the defendants' "service based settlement" on the following grounds:

- † By forcing my agreement to either a "service based settlement" from a corporation that I would never seek for credit services, or to exempt myself completely from settlement.
- † Settlement conflicts with my personal and religious beliefs of associating with a credit reporting agency that commits unethical acts.
- † I seek the monetary value of said "settlement services" offered by the defendant, to use as I see fit for punitive damages and credit monitoring services that comply with my ethical and moral beliefs.
